Techno Acoustic™ Metal Ceiling Galvanized Iron - Clip in

Perforation
Pattern

Clean and
Minimalist Look

Eco-Friendly

Technical Details:

- Size: **600 x 600 mm**
- Thickness: **0.5 mm**
- Sound absorption (NRC): **0.6 (With Acoustic pad)**
- Sound attenuation Dncw (dB): **28 (with Perforation), 34 (without Perforation)**
- Light reflectance (%): **85**
- Humidity resistance (% RH): **Not affected by humidity**
- Fire reaction: **Class O/Class 1 (BS 476)**
- Fire resistance(hour): **1**
- Perforation: **2 mm**

Specification:

- Surface: **Polyester based powder coating**
- Back Side : One Coat of paint with/without Acoustic Pad
